A box for every ceremony

01 Roka & sagai

Elegant boxes for the first sweets the families share.

02 Invitations

A mithai box that travels with the card.

03 Mehendi & sangeet

Bite-sized assortments for long evenings.

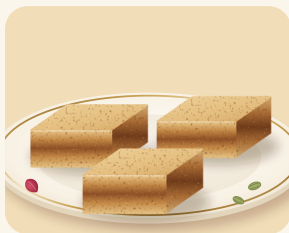

04 The wedding

Family hampers, baraat boxes and reception trays.

05 Bidaai & return gifts

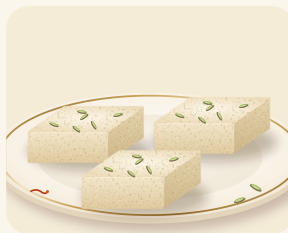

A beautiful box in every guest's hand.

Six sweets, made the long way.

Milk Cake

Milk reduced for hours until its centre turns to toffee and its edges stay pale and grainy.

Kalakand

Fresh chhena and reduced milk, set soft and scattered with pistachio – the most delicate sweet we make.

Malai Barfi

Fresh malai and khoya set into smooth ivory squares, finished with silver varq and pistachio.

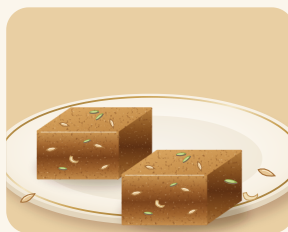

Peda

Khoya roasted slowly in ghee until it turns the colour of old gold, shaped by hand, one at a time.

Kunda

Milk and khoya cooked past the point where most sweetmakers stop – until it turns deep brown and grainy.

Bikaneri Cake

A dense, deeply caramelised milk cake set thick and layered with almonds, cashews and pistachios.

Every sweet is made fresh for your order with full-cream milk, pure desi ghee and premium dry fruits. Kalakand and malai barfi are fresh sweets best enjoyed within days; milk cake, peda, kunda and Bikaneri cake travel well for pan-India delivery.

Your names. Your colours. Your message.

A printed card or a sleeve message in English, Hindi or both.
